Attn: Mr

Dear Sir,

**'FATBUSTA', FATBUSTA Jr' & 'GREASE GUARDIAN' GREASE TRAPS**

We refer to your e-mail dated 4/09/2014 and the letter dated 23 Jun 2014 on the change of distributorship for the above brands of grease trap to M/s

2 We noted that the 'FATBUSTA', 'FATBUSTA Jr' and 'GREASE GUARDIAN' grease traps effluent meet the PUB standard requirements for discharge to sewer. Therefore, we have no objection to the use of 'FATBUSTA', 'FATBUSTA Jr' and 'GREASE GUARDIAN' grease traps in foodshops/eating establishment.

3 You are required to comply with the following requirements:-

- a) Advise the owner/user on the proper sizing of the grease trap to ensure adequate capacity for the used water discharged.
- b) Advise owner/user on the method and frequency of maintenance of the grease trap and to engage NEA licensed general waste collectors to remove and dispose the solidified grease/oil waste.

4 This letter shall not be used as an advertisement for the grease trap.

Yours faithfully

Low Chiap Weng
